

# Music Maths

These are just like maths sums but instead of using numbers,  
you are going to use music notes!

Don't worry, you can still write your answer as a number.  
Here are the notes you will need and how many beats they are:

---

1.  +  +  +  +  +  +  +  =

---

2.  +  +  +  +  +  +  +  =

---

3.  +  +  +  +  +  +  +  =

---

4.  +  +  +  +  +  +  +  =

---

5.  +  +  +  +  +  +  +  =

---

6.  +  +  +  +  +  +  +  =
